Our house is located in St. Jakob. The center of St. Anton and ski-lift complex are accessible with the free ski bus. In the evening and at night your car will also be unnecessary, just take the night bus (with fare) (not in the season winter 3). During summertime you can take the free village bus. Busstation is situated only 50 meters away from our house. Relax in our wellness saloon with sauna, steam bath, infrared-cabine and tranquility room. Saturday closed. Delicious breakfast-buffet for our room-guests.

Included: sauna, steambath, infrared cabine, breakfast buffet, skidepot at the railway.

Check In 4.00 PM / Check Out 9.00 AM

Take the village exit marked "B", road named Ganderweg. On the left is a large blue building. Turn left in front of this building and directly after you will find our house.
